Personal Statement

I have specialized in "Software Development," "Graphic & Web Design," "UX/UI Design," and "Technical English" at Code Academy. These skills have enabled me to achieve outstanding results in the execution of modern projects. Recently, as a director at "Hermes Engineering MMC," I gained valuable experience in team management and strategic planning. I strive to foster an environment that encourages the formation and development of creative ideas in the workplace. Additionally, I approach project implementation in a systematic and responsible manner, prioritizing the application of innovative methods to achieve the organization's strategic goals.
